

Technical Data Sheet

RESCUE 150 COOL TS M/W

The RESCUE 150 COOL TS is a lightweight, quick-drying t-shirt for intensive outdoor and operational use. Its merino wool and TENCEL™ Lyocell fiber blend supports temperature and moisture regulation for a naturally dry feeling on the skin. Merino wool is naturally odor-resistant, while Betaspun® spinning technology enhances the material's resistance to tearing and scuffing.

Key Features

- **Merino wool climate regulation:** Soft merino wool helps regulate body temperature during intensive activities and changing conditions.
- **TENCEL™ Lyocell moisture management:** Wood-based TENCEL™ Lyocell fibers efficiently absorb moisture for a naturally dry feeling on the skin.
- **Quick-drying performance:** The material combination supports rapid drying during high-intensity use.
- **Betaspun® spinning technology:** Polyamide filaments wrap the core fibers to enhance the shirt's resistance to tearing and scuffing.
- **Natural odor resistance:** Merino wool next to the skin is naturally odor-resistant, supporting comfortable wear during prolonged use.

Technical Specifications

	Men	Women
Style	Rescue 150 Cool TS M	Rescue 150 Cool TS W
Product category	1st Layer	1st Layer
Sizes	XS, S, M, L, XL, XXL, XXXL	XS, S, M, L, XL
